## Dear GI Friends & Colleagues,

We are delighted to invite you to the 24<sup>th</sup> Annual Meeting of the UK and Ireland Endoscopic Ultrasound Society in Sheffield. We aim to allow all those involved in EUS or aspiring to practice in big or small centres to meet and share experiences and education to improve our practice across the UK and Ireland

This one-day meeting aims to cover both the daily challenges and up-to-date advances to improve care for patients undergoing endoscopic ultrasound. We have carefully chosen a practical "What do I do with" or "How I do it" approach with presentations and interactive diagnostic live demonstrations delivered by some of the leading UK and Ireland specialists in EUS who will all bring their invaluable insights. With this in mind, the meeting is relevant to the whole EUS community and we hope to encourage open discussion about the best possible ways of working together in this advancing and exciting specialty.

We really want to stress that this meeting is for everyone involved in practicing, training or considering EUS

**So please book in your study leave and share this brochure with anyone in your department who you think may be interested.**

Best wishes,

Dr Jennifer Campbell & Prof Andrew Hopper

On behalf of the local and UKIEUS Team

## Our Sponsors

# Boston Scientific

## Location

**Please note: The venue is now called Crowne Plaza Royal Victoria**  
(previously Holiday Inn).

The venue - postcode S1 2AU - is easily accessible (just off the A57 on the outskirts of Sheffield City Centre, thus avoiding traffic).

This is very close to the Sheffield train station so jumping on a train from where you are brings you to within a 5 minute taxi drive or 15 minute walk to the venue. Parking is free of charge.

Turn right when you see the Metropolitan Hotel and bear left.

Continue under the archway which says "Royal Victoria"
