

Welcome to the 2019 Abstract submission page.

Please work through the form below to complete the submission. At the end of the form you will be asked to complete the Abstract dialogue box. Please use the layout in the Guidelines below to complete this and ensure you keep within the word limit as a submission will be rejected should you exceed this limit. You may wish to create your submission in Word and then copy and paste it into the dialogue box.

You will also see a file upload option, please use this to upload any images (jpeg only) you wish to include.

If you wish to save your submission and edit it later click SAVE CONTENTS at the end of the form, this will generate an email with a link for you to resume the submission process. (If you don't see the link email in your inbox, please check your junk folder)

Closing Date for submission midnight 31st August 2019

On completion you will receive an email confirming a successful submission, this will also include a submission reference number, please keep this safe as it will be necessary to quote this should you need to get in touch with us.

Guidelines for the Submission of Abstracts

- should relate to original, unpublished work and not have been presented at any major meeting.
- must consist of four paragraphs, entitled: **Aims, Methods, Results, Conclusions.**
- be submitted as text and tables only (i.e. no figures, graphs or diagrams)
- images supporting the abstract can be added using the file upload button
- must fit within the abstract template. The maximum word count is 400 words.
- no more than eight authors should be listed.
- please indicated either benign or malignant.
- duplicate submissions will be disqualified.
- absolutely no changes can be made to the abstract after the closing date

The PSGBI takes a serious view of Research Governance. Please ensure that the abstract has been seen and agreed by all of the named authors before submission. All authors have a responsibility to ensure that the data submitted is accurate, is not extrapolated and fairly represents the presentation to be given at the Annual General Meeting

Audiovisual Arrangements

All presentations throughout the AGM will be delivered using PowerPoint format. Speakers will be sent detailed guidance notes on audiovisual requirements and facilities in advance of the meeting.
